## How You Will Benefit

The modern work world is full of distractions. Private e-mails, social media, the Internet, and chatty co-workers cut into productivity and prompt procrastination. Yet work left unfinished today becomes a mountain of work due tomorrow, making a lack of productivity one of the biggest causes of profit loss for organizations.

Managers indicate that the consequences of distraction were compromised quality of work, lower moral because of other employees having to pick up the slack, negative impact on boss/ employee relationships, missed deadlines and loss in revenue.

This course is designed to teach employees how to kick bad habits and stay more focused on work throughout the day. As a result, employees will work at a higher level, be able to more effectively prioritize tasks, improve relationships with coworkers and bosses, and create long-lasting behavioral changes.
