Our **standard virtual training sessions** are 90 minutes to two hours in length. Held live via the Zoom platform, these sessions are interactive and include a workbook and desk reference to sustain learning beyond the session. Maximum enrollment: 16 participants.

We work with you to ensure critical improvement areas are defined, key priorities set, and solid implementation plans are put in motion. That’s our Total Team Approach (TTA). Every program is tailored to the exact needs of your business and its people. Every program is full of tried and true strategies. At ARM our goal is to transform both your staff and the future of your business.

ABOUT ARM

Advanced Resolution Management, LLC. (DBA Resolution Management) is a training and consulting firm located in Westchester, New York. We specialize in providing professional services in the areas of leadership development, team building, conflict management, mediation and diversity for staff at all levels. We are a certified minority and woman owned business (M/WBE). Our mission is to develop skills and provide assistance to individuals and organizations who seek to become more effective in resolving disputes, managing relationships and improving interpersonal effectiveness.

Established in 1991 our client list has grown to include the United States Postal Service, NYC Department of Mental Health & Hygiene and the Administration for Children's Services. Known for our creative and highly experiential curriculum, ARM was utilized to develop the American Society for Training and Development's Trainer Development Program. For the last ten years Advanced Resolution Management has secured a training contract with the City of New York Department of Administrative Services, facilitating programs such as Dealing with Difficult People, Management and Leadership Skills and Performance Management for 1000 plus employees and management professionals. Through these customized training programs and interventions, including one-on-one coaching, we have strengthened our client's ability to build productive workplace relationships that lead to highly productive work teams, effective problem solving and reduction of the legal and financial cost of workplace disputes.

In the field of mediation and conciliation, we have been recognized for our ability to lead collaborative labor/management training with clients such as Consolidated Edison, Verizon, Blue Cross/Blue Shield, UAW Local 2500, and various other institutions. Our consulting firm has never defaulted on a contract, or failed to complete work awarded.

Advanced Resolution Management is comprised of a diverse team of highly experienced facilitators who have the capability of providing professional training resources and expertise to support the execution of national and global projects. We have the capacity to provide bilingual training and are responsive to the unique needs of our client base. We stand ready to provide all necessary resources to support the scope, time frame and execution of your professional development needs.

HOW TO BE AN ALLY: A Courageous Response to Bias

An ally is someone who educates themselves about issues around inclusiveness, strives to find common ground with others and actively supports individuals from different groups. This course will explain the multi-faceted and complex role of being an ally and provides examples of how it can differ based on the level of circumstances that are being experienced. The reaction of an ally does not have to be "fight" or "flight" only. The goal of this training will be to arm participants with knowledge on all the different ways an ally can engage and take an active role to address or call attention to a wrongdoing they have witnessed. Allies are an important component of a successful diversity & inclusion (D&I) initiative and can help organizations ensure the effectiveness of their programs.

- Define Types of Bias
- Understand the Role of an Ally
- Differentiate Between Types of Allies
- Identify the Characteristics and Skills of an Ally
- Develop a Personal Action Plan to Become an Effective Ally

LEADERSHIP FROM HOME: How to be an Effective Remote Manager

Remote managers face several common challenges that threaten to undermine productivity and engagement. As a remote leader you can offset these challenges and enhance responsibility/ownership and results.

- Learn how to develop a new context about accountability – one in which team members and managers welcome responsibility and deliver agreed-upon results
- Eliminate the blame game/citing confusion/uncertainty for inaction
- Improve communication and listening skills.
- Implement effective strategies for Video Conferencing with a meeting structure that yields results
- Increase your ability to provide routine encouragement and support
- Build stronger, more positive & productive relationships with direct reports, and your leadership team

Audience: Managers & Supervisors

STRATEGIC COMMUNICATION

Being a manager means taking on a lot of responsibility. Delegating, disciplining, moving the company forward and promoting key workers just scratches the surface of a manager's responsibility. Therefore, if there is a disconnect between a manager and his or her employees, there is a huge cost to pay in productivity, team building and communication. This course will teach you how to be a relatable, respectable and dependable manager who is able to keep all aspects of your team in-check. As a result, you will be able to have a clear direction, meet your employee's needs, handle difficult conversations with ease, and boost your assertiveness as a leader.

- Best practices for communication in the virtual workplace
- Practical techniques for planning and initiating difficult conversations
- Identify the characteristics of assertive behavior and include them in your interactions
- De-escalate strong emotions appropriately
- Manage your team in times of political unrest

Audience: Managers & Supervisors (Employee version also available)

MANAGERIAL PROGRAMS

EMOTIONAL INTELLIGENCE

The workplace can be an emotional place. It is critical to learn how to manage your own emotions and communicate effectively with others, even when they are spinning out of control. Emotional intelligence is an essential element in the business world, especially in high-stress environments. If you are unable to control your emotions, they can preoccupy your thoughts and interfere with your ability to evaluate a situation objectively. Factor in the pandemic we are all facing, and the virtual work environment we're still adjusting to, emotional stress has become a reality for many.

This program is designed to provide you with the knowledge and tools to develop your emotional intelligence. You will learn how to avoid self-sabotaging outcomes by altering how you perceive and respond to emotionally-charged situations. In addition, you will improve your ability to resolve conflict constructively, create a productive work environment, build and mend relationships, and bounce back from setbacks and disappointment.

Receive your Everything DiSC® Agile EQ™ Profile and discover valuable insights that help you explore the concept of emotional intelligence and take an agile approach to workplace interactions.

Objectives:

- Manage your emotions by recognizing how thoughts and emotions are connected
- How to develop more positive relationships with others at work through empathy.
- Keeping your composure and staying focused in stressful or high-pressure situations.
- Explore how to use emotional intelligence to bounce back from setbacks.
- Improve self-control by identifying physical cues that indicate your emotions may be taking over
- Learn how to use assertive communication to express your needs and feelings appropriately
- Using your emotions as a tool to improve the process of conflict resolution

WORKPLACE®

WORKING TOGETHER-APART

Everyone has their own style and tendencies. When working virtually, we need to become more aware of our strengths and weaknesses and how to manage them. We don't have our peers, leaders and other influencers around us to help point out when we need course-correction. Time and priority management is key.

Everything DiSC Workplace® delivers a comprehensive, easily customizable workplace development solution to engage every employee—regardless of title or position, department or function—in building more productive and effective relationships at work.

With Everything DiSC Workplace®, your employees will gain valuable insights about themselves AND others, discovering actionable ways to build more effective relationships with one another.

Combining virtual classroom training with online pre-work and follow-up tools, you can create a personalized learning experience to help participants understand and appreciate the different priorities, preferences, and values each individual brings to the workplace, and how they can learn to adapt to the style of others.

Workplace Profile

The Everything DiSC Workplace® Profile provides participants with valuable insights that will help them better understand themselves AND others, all while offering actionable ways to strengthen their relationships in the workplace.

Using a research-validated learning model, the profile offers personalized insights for participants, helping them discover how to better connect and effectively work with each other. Everything DiSC Workplace® can be used with people at any level in an organization, ultimately improving the quality of the workplace.
